

Hepatitis C

Bloody Serious Facts

St Vincent's Hospital Melbourne have partnered with Harm Reduction Victoria to provide an interactive education course on Hepatitis C. In this course we delve into the diagnosis, treatments and the impacts of living with Hep C. Join us to make an impact in increasing awareness and exploring strategies to engage and support clients into health care. The course is delivered by a highly experienced Harm Reduction worker from HRVic and a Hepatology Nurse from St Vincent's Hospital.
